LETTER FROM THE BOARD

REFRESHMENT OF SCHEME MANDATE LIMIT OF THE SHARE OPTION SCHEME

The Company adopted the Share Option Scheme pursuant to an ordinary resolution passed by the Shareholders in a general meeting held on 10 June 2011 for the purpose of providing eligible participants with the opportunity to acquire proprietary interests in the Company and to encourage participants to work towards enhancing the value of the Company and its shares for the benefit of the Company and its shareholders as a whole. At the annual general meeting of the Company held on 11 June 2014, the scheme mandate limit was refreshed and approved by the then Shareholders whereby an aggregate of 236,628,358 shares may be issued upon exercise of options granted under the Share Option Scheme subject to the Scheme Mandate Limit. Under the terms of the Share Option Scheme:

- (1) the maximum number of Shares which may be allotted and issued upon the exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option scheme must not in aggregate exceed thirty (30) per cent. of the Shares in issue from time to time;
- (2) the total number of Shares which may be allotted and issued upon the exercise of all options (excluding, for this purpose, options which have lapsed in accordance with the terms of the Share Option Scheme and any other share option scheme) to be granted under the Share Option Scheme and any other share option scheme must not in aggregate exceed ten (10) per cent. of the Company's issued Shares as at the date of approval of the Share Option Scheme ("**Scheme Mandate Limit**");
- (3) subject to (1) above and without prejudice to (4) below, the Company may seek approval of the Shareholders in general meeting to refresh the Scheme Mandate Limit provided that the total number of Shares which may be allotted and issued upon the exercise of all options to be granted under the Share Option Scheme and any other share option scheme must not exceed ten (10) per cent. of the Shares in issue as at the date of the Shareholders' approval of the refreshing of the Scheme Mandate Limit (as at the Latest Practicable Date, ten (10) per cent. of the number of Shares in issue was 267,211,358) and, for the purpose of calculating the Scheme Mandate Limit as refreshed, options (including those outstanding, cancelled, lapsed or exercised in accordance with the Share Option Scheme and any other option scheme) previously granted under the Share Option Scheme and any other share option scheme will not be counted;
- (4) subject to (1) above and without prejudice to (3) above, the Company may seek separate approval of the Shareholders in general meeting to grant options beyond the Scheme Mandate Limit or, if applicable, the refreshed limit referred to in (3) above to Participants specifically identified by the Company before such approval is sought.

LETTER FROM THE BOARD

As at the Latest Practicable Date, particulars of the options granted under the Share Option Scheme since the date of adoption of the Share Option Scheme are set forth below:

Date of grant	Number of options granted	Exercised	Lapsed	Cancelled	Outstanding as at the Latest Practicable	Exercise Price per Share (HK\$)	Exercise Period
9th Sep 2013	81,000,000	45,880,000	8,700,000	Nil	26,420,000	0.406	9th Sep 2013 – 8th Sep 2016
9th Oct 2013	19,900,000	9,440,000	3,580,000	Nil	6,880,000	0.402	9th Oct 2013 – 8th Oct 2016
17 Jun 2014	6,000,000	–	–	–	6,000,000	0.550	17th Jun 2014 – 16th Jun 2017

As at the Latest Practicable Date, the number of options outstanding and unexercised is 39,300,000. The Directors have no present intention to grant any further options under the existing Scheme Mandate Limit prior to the Annual General Meeting. The Board wishes to take this opportunity to recommend for the Shareholders' approval at the Annual General Meeting that the existing Scheme Mandate Limit be refreshed so that the total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option scheme(s) of the Company shall be increased over a larger number of Shares (267,211,358 Shares) than the existing Scheme Mandate Limit (236,628,358 Shares). The Directors are of the view that in order to provide incentives and rewards to the eligible persons for their contribution to, and continuing efforts to promote the interests of, the Group by granting share options to them, the scheme mandate limit under the Share Option Scheme shall be refreshed to provide the Company with greater flexibility. Options previously granted under the Share Option Scheme and any other share option scheme(s) of the Company (including options outstanding, cancelled or lapsed in accordance with the relevant scheme rules or exercised options) will not be counted for the purpose of calculating the Scheme Mandate Limit as refreshed.

If the Scheme Mandate Limit is refreshed, on the basis of 2,672,113,580 Shares in issue as at the Latest Practicable Date and assuming that no Shares are issued or repurchased prior to the Annual General Meeting, the Board will be able to grant options for subscription of up to 267,211,358 Shares, which do not include options that are outstanding, cancelled, or lapsed as at the Annual General Meeting. As at the Latest Practicable Date, the Company has not adopted any share option scheme other than the Share Option Scheme.

The refreshing of the Scheme Mandate Limit is conditional on:

- (a) the passing of an Ordinary Resolution to approve the refreshing of the Scheme Mandate Limit by the Shareholders at the Annual General Meeting; and

LETTER FROM THE BOARD

- (b) the Stock Exchange granting listing of and permission to deal in the Shares (representing ten (10%) per cent. of the issued share capital of the Company as at the date of the Annual General Meeting approving the refreshing of the Scheme Mandate Limit) which may fall to be issued pursuant to the exercise of options under the Share Option Scheme and any other share option scheme(s) of the Company.

Application will be made to the Exchange for the approval of the listing of and permission to deal in the Shares (representing a maximum of ten (10) per cent. of the issued share capital of the Company as at the date of the Annual General Meeting approving the refreshing of the Scheme Mandate Limit) which may fall to be issued pursuant to the exercise of options under the Share Option Scheme and any other share option scheme(s) of the Company.

GENERAL MANDATE TO ISSUE AND REPURCHASE SHARES

At the last annual general meeting of the Company held on Wednesday, 11th June 2014, Directors were granted a general mandate to allot and issue Shares and a general mandate to repurchase Shares. These mandates will expire at the forthcoming Annual General Meeting. Directors propose to seek the approval of Shareholders at Annual General Meeting for the grant of:

- (a) the Share Issue Mandate to issue Shares up to a maximum of 20% of the issued share capital of the Company as at the date of passing of the relevant resolution;
- (b) the Share Repurchase Mandate to repurchase Shares up to a maximum of 10% of the Shares in issue as at the date of passing of the relevant resolution; and
- (c) the extension of the Share Issue Mandate to issue Shares by the number of Shares purchased under the Share Repurchase Mandate mentioned in (b) above.

Directors believe that it is in the interests of the Company and Shareholders as a whole if the above general mandates are granted at Annual General Meeting. Such general mandate as referred to in (a) to (c) provides Directors with flexibility to issue Shares especially in the context of a fund raising exercise or a transaction involving an acquisition by the Company where Shares are to be issued as consideration and which has to be completed speedily.

The explanatory statement to provide you with all the information necessary to enable you to make an informed decision on whether to vote for or against the resolutions concerning Share Repurchase Mandate as required by the Listing Rules is set out in Appendix II to this circular.

This explanatory statement contains information required under the Listing Rules to accompany the notice of Annual General Meeting at which a resolution is to be proposed in relation to the repurchase by the Company of its own Shares. Its purpose is to provide Shareholders with all information reasonably necessary for you to make an informed decision on whether to vote for or against the ordinary resolutions to approve the Share Repurchase Mandate at Annual General Meeting.

SHARE REPURCHASE RULES

The Listing Rules contain provisions to regulate the repurchase by companies with primary listings on the Exchange of their own securities.

Under the Share Repurchase Rules, any Share repurchases by a company with a primary listing on the Exchange has to comply with the following provisions:

(a) Shareholders' Approval

All on-market share repurchases by a company must obtain a specific approval or a general mandate in advance by way of ordinary resolution by shareholders. The shares proposed to be repurchased are fully paid up.

(b) Source of Funds

Repurchases must be made out of funds which are legally available for such purpose in accordance with Memorandum of Association, Bye-Laws and all applicable laws of Bermuda.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of issued Shares of the Company was 2,672,113,580.

REASONS FOR SHARE REPURCHASE

Although Directors have no present intention to repurchase any Shares, they believe that it is in the best interests of the Company and the Shareholders for Directors to seek a general authority from Shareholders to enable the Company to repurchase Shares in the market. At any time in future when Shares are trading at a discount to their underlying value, the ability of the Company to repurchase Shares will be beneficial to Shareholders who retain investments in the Company. Shareholders' percentage interests in the assets of the Company would increase in proportion to

the number of Shares repurchased by the Company, thereby resulting in an increase in net assets and/or earnings per Share. Such repurchases will only be made when Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

Subject to the approval of the ordinary resolutions for the Share Repurchase Mandate, the Company would be allowed under the Share Repurchase Mandate to repurchase a maximum of 267,211,358 Shares on the basis that no further Share will be issued or repurchased prior to the date of Annual General Meeting.

FUNDING OF REPURCHASES

Directors propose that repurchases of Shares under the Share Repurchase Mandate would be financed from internal resources of the Company. In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with Memorandum of Association, Bye-Laws and all applicable laws of Bermuda.

The Company is empowered by its Memorandum of Association and Bye-Laws to repurchase its Shares. The Bermuda laws provide that the consideration paid in connection with a share repurchase may only be paid out of the capital paid-up on the relevant shares, or the funds of the company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company before the Shares are repurchased.

Furthermore, the Companies Act provides that a company may not repurchase its own shares if on the date on which the repurchase is to be effected, there are reasonable grounds for believing that the company is, or after the repurchase would be, unable to pay its liabilities as they become due.

No material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31st December 2014) is anticipated in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. Directors do not propose to exercise the Share Repurchase Mandate to such an extent that would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasions and the price and other terms upon which Shares are repurchased will be decided by Directors at the relevant time having regard to the circumstances then pertaining.

SHARE PRICES

During each of the previous 12 months preceding the Latest Practicable Date, the highest and lowest traded price for Shares on the Exchange were as follows:

	Shares	
	Highest price <i>HK\$</i>	Lowest price <i>HK\$</i>
2014		
April	0.590	0.520
May	0.560	0.510
June	0.600	0.530
July	0.590	0.530
August	0.750	0.550
September	0.770	0.600
October	0.680	0.600
November	0.680	0.630
December	0.650	0.610
2015		
January	0.640	0.590
February	0.650	0.600
March	0.730	0.620
April (up to and including the Latest Practicable Date)	0.660	0.610

No repurchase of Shares has been made by the Company during the last 12 months immediately preceding the Latest Practicable Date (whether on the Exchange or otherwise).

DIRECTORS' UNDERTAKING

Directors have undertaken to the Exchange to exercise the powers of the Company to make purchase under the Share Repurchase Mandate in accordance with the Listing Rules, Memorandum of Association, Bye-Laws and all applicable laws of Bermuda.

EFFECT ON THE TAKEOVERS CODE

If on exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, the proportionate interest of a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, GoldSilk Capital Limited, the largest substantial Shareholder, holds approximately 29.08% of the issued share capital of the Company. In the event where Directors exercise in full the power to repurchase Shares in accordance with the Share Repurchase Mandate, the total interest of GoldSilk Capital Limited in the issued Shares would be increased to approximately 32.31% of the total issued share capital of the Company (on the basis that no Share is issued or repurchased by the Company prior to Annual General Meeting). In the opinion of the Directors, such increase may give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. The Directors have no present intention to exercise the Share Repurchase Mandate to such an extent as would result in takeover obligations.

DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors or, to the best of their knowledge and having made all reasonable enquiries, or any of their close associates presently intends to sell any Shares in the Company/to the Company and/or its subsidiaries in the event that the Share Repurchase Mandate is approved by Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the Share Repurchase Mandate is approved by Shareholders.
